

JAMES COOK PRIMARY SCHOOL COUNCIL **ENROLMENTS POLICY**

Rationale:

Parents/guardians must enrol a child of compulsory school-age at a school and ensure the child attends school at all times when the school is open for instruction or seek enrolment for other approved tuition.

Students are expected to attend the school in which they are enrolled during normal school hours every day of each term. A Principal or Regional Director may authorise an exemption and provide written approval for student attendance to be exempt or reduced to less than full time.

For absences where there is no exemption in place, the parent/guardian must provide an explanation on each occasion and the school will determine if the explanation provided is reasonable for the purpose of the parent meeting their responsibilities under the *Education and Training Reform Act 2006*.

Schools must maintain attendance records and develop policies to support and maintain attendance. Exemptions from school attendance may be granted in some circumstances. All applications for exemptions are considered on a case-by-case basis, with the child's best interests as the guiding principle for decision-making. The potential benefits or negative consequences of granting the exemption to the child's educational progress, wellbeing and development are also considered.

Purpose:

- To ensure students of school age are enrolled and attend every day the school is open for instruction.
