

BEFORE AND AFTER SCHOOL SUPERVISION

Student safety at James Cook Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised from 8.50am each day. Classroom doors open at 8.50am to allow students to be prepared for the school day. Breakfast Club is staffed from 8.30am for those students that require breakfast prior to the start of the school day.

After school: School grounds are supervised until 3.10pm. School playgrounds are not supervised by staff, but parents are able to supervise their own children playing in these spaces.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact TheirCare on 1300072410 or refer to www.theircare.com.au for more information about the before and after school care facilities available to our school community.
